**Statement of Claim:**

(State here as briefly as possible the facts of your case.)

Your Honor:

Please excuse my long hand. I am no computer whiz. The original document given to me by your clerk, has gone missing.

My tax transcripts were altered by persons unknown. Proof of which lies in 3 law offices and one accountancy. An attempt was made, and thwarted by tax attorney(s) in New York City. The IRS by fiat and deletion attempted to seize \$700,000 from myself, when indeed all evidence points to their owing me money to the amount in excess of \$100,000.

I take no pleasure in this complaint, but if ~~the~~ such action to seize action from a common citizen

## Statement of Claim

(continued):

such as myself, then none of us is safe. I believe such action is in violation of a raft of laws and indeed the Bill of Rights and perhaps, the Constitution of the United States.

I honorably and hereby request that the person(s) who altered my ~~transcript~~ tax transcripts directly or indirectly be brought to justice.

I have paid in the area of \$9 million in Federal Tax over the last 10 years.

I have been unable to secure Washington State a council, in this matter. I believe it is every citizen's right to seek relief under the laws of the United States of America.

I hereby throw myself at the mercy of the Court and in the equal justice of all U.S. citizens.

**Relief:**

(State briefly exactly what you want the court to do for you)

I respectfully request that the person(s) that perpetrated this act to be brought to Justice and my proper refund by remanded forthwith

I also request such damages as determined by the Court as to the continuous harassment causing me to be unable to work in my usual fashion over the last two years.

I do fear for my wellbeing as a result of the foregoing.
